Celebration Fundraiser SPONSORSHIP LETTER:

Please Consider:

RARE OPPORTUNITY TO SPONSOR

We are writing to request support for an upcoming event celebration on Tuesday, October 3rd, 2023 where we support business women in York Region by highlighting their success. The BWNyr is a registered Not-for-Profit Corporation with five Directors. We began in October 2013 and we are now celebrating 10 years by presenting Awards to Members!

Prior the pandemic, we held six Award Gala's. Proceeds were donated to young women entering a business degree and have overcome a challenge. Our aim is to raise awareness for women to enter this field so that they can fill a boardroom seat or run a successful business.

Ontario Tech University Chancellor, Mitch Frazer, recognizes that students need support in the way of scholarships and bursaries so (they) raised funds through the Ontario Tech Student Success Fund. "Leading by example by donating to the Fund and challenging others to do so as well, demonstrates to our students that they will succeed because we're here for them.... Together we are creating the type of graduates our society needs." -Bob Baum, Former NHL hockey defenceman, four-time Stanley Cup champion and longtime Ontario Tech University benefactor. We started doing this 10 years ago!

Please consider supporting our mission which will benefit women in our community. Sponsor details are attached with many different packages to choose from. The BWNyr operates solely on membership funds and sponsor proceeds from the Gala event. Join us in this evening of silent & live auctions, vendor tables, food & refreshments with special guests as we highlight Members in an Awards Ceremony to celebrate this milestone!

Help us to make a meaningful difference and support young women in York Region. For more information, contact (416) 910-1058 or info@bwnyr.com. Thank you for your support in advance.
